

# Technology Educators Association Conference 2008 'SUSTAINABILITY'

**FREE CONFERENCE PROCEEDINGS CD NOW AVAILABLE!**

Conference was held on Friday 16<sup>th</sup> and Saturday 17<sup>th</sup> May

**Australian Government**  
**Quality Teacher Programme**

The Conference 2008 CD contains materials provided by both the Presenters and Conference delegates. There are a variety of photographs taken during the conference and links to relevant websites on the CD Rom.

There are PowerPoint presentations including one based on the dinner at Tetsuya's Restaurant that can be used with Hospitality and Food Technology students.

Teachers have provided a variety of resources including programming ideas and assessment tasks. These resources have been shared on the CD as *ideas* for teachers to use if they feel they suit their school situation and students.

The CD has been constructed with hyperlinks from a word document based on the Conference Program, to make it easy for you to navigate to the relevant documents and links.

The ICONS below indicate the type of resource available in each presentation, workshop or tour.
